

AMENDMENTS TO THE CLAIMS:

This listing of claims will replace all prior versions and listings of claims in the application:

Listing of Claims:

Claim 1 (Currently Amended): An assembly comprising a housing (10), ~~for~~ a battery (16), and a control module (18), said battery and said control module being disposed in said housing, said housing having an air inlet (20, 20') and an air outlet (22), said air outlet (22) being adapted to be connected with an intake system of an engine of a motor vehicle.

Claim 2 (Currently Amended): The assembly as claimed in claim 1, characterized in that said housing (10) has a separate ~~battery~~ housing (12), said battery being disposed in said separate housing.

Claim 3 (Currently Amended): The assembly as claimed in claim 1, characterized in that said housing (10) has a separate ~~control module~~ housing (14), said control module being disposed in said separate housing.

Claim 4 (Original): The assembly as claimed in claim 1, characterized in that said air inlet (20) sucks in air from the vicinity of a windshield of said vehicle.

Claim 5 (Original): The assembly as claimed in claim 1, characterized in that said air inlet (20) sucks in air from an air-conditioning system.

Claim 6 (Original): The assembly as claimed in claim 1, characterized in that said air inlet (20') sucks in air from an engine compartment.

Claim 7 (Original): The assembly as claimed in claim 1, characterized in that said battery (16) is disposed downstream of said control module (18).

Claim 8 (Original): The assembly as claimed in claim 1, characterized in that said control module (18) is accessible only after removal of said battery (16).
